EXPERIENCE

SOFTWARE ENGINEER INTERN 09/2023 – 03/2024

IKCON DIGITAL IT services Pvt.

- Contributed significantly to the development of the Unified Meeting Suite (UMS) project, actively involved in both frontend and backend aspects.
- Unified Meeting Suite (UMS) aims to track tasks that are generated from the action items of a meeting using transcripts of meetings conducted using Microsoft Teams.
- Implemented measures for restricting multiple logins and ensuring a secure logout functionality to enhance overall application security.
- Played a key role in improving the user experience by successfully integrating a loader component throughout the entire application.
- Implemented and optimized HTTP requests to ensure seamless connectivity and efficient data exchange between the user interface and server components.
- Operated within an Agile framework using Jira and ensuring the punctual delivery of project milestones.

TECHNOLOGIES : HTML, CSS, JAVASCRIPT, ANGULAR JS, SPRING BOOT, BOOTSTRAP.
